## VOLUNTEER APPRECIATION

*“Perhaps we're too embarrassed to change or too frightened of the consequences of showing that we actually care. But why not risk it anyway? Begin Today. Carry out a random act of seemingly senseless kindness, with no expectation or reward or punishment. Safe in the knowledge that one day, someone somewhere might do the same for you.”*

*Princess of Wales Diana*

There are so many things here at school that couldn't happen without our many selfless volunteers. We cannot thank you enough for all the time, energy and support that you provide to our students and staff. If your name is on the attached list, **please stop by to pick up a small token of appreciation.** If we missed you, our apologies, and please contact Sue Riley to let us know how you helped us. **THANK YOU!**

## One Last Time... Today is the LAST day to order!

While less than 60 yearbook copies remain, you have one last chance to reserve one of them starting Monday, April 20 through May 1 or as long as supply lasts. Order forms are available here at school on the wall or you may order online at [jostensyearbooks.com](http://jostensyearbooks.com)

Please email [sarff\\_laura@svvsd.org](mailto:sarff_laura@svvsd.org) if you have any questions.

## WE NEED YOUR HELP – PLEASE!

As the weather warms we ask that you help your student(s) to adhere to the district/school dress code. We are already seeing very short shorts, spaghetti straps, visible midriffs, inappropriate t-shirts, etc. Please refer to the Student Code of Conduct book for details. From the Conduct Book: *A safe and disciplined learning environment is essential to a quality educational program. District-wide standards on student attire are intended to encourage school pride and unity, and thereby help students concentrate on schoolwork, reduce discipline problems, and improve school order and safety. The Board recognizes that students have a right to express themselves through dress and personal appearance; however, students shall not wear apparel that is deemed disruptive or potentially disruptive to the classroom environment or to the maintenance of a safe and orderly school.* Thank you for your assistance with this matter.

## **LOST AND FOUND**

*Lost & Found* is OVERFLOWING!! Coats, hats, lunchboxes, water bottles. Please come in to claim what is yours. Also - turned into the office we have Prescription glasses, watches, phones, house keys, and bike lock keys - you name it.

## **SUMMER READING**

**SUMMER LIBRARY ACCESS:** The St. Vrain Digital Library will be up and running for students throughout the summer! If your child has access to any sort of tablet or computer, they can check out and book or two to read. Want more info about this amazing collection? Go to the [Altona Library page](#) and look on the left side for Digital Library Tutorials. Hooray for reading all year long!

## **SILVER CREEK NEWS!**

One of Silver Creek's seniors, Zack Jagerson, has organized a one day soccer camp as his SCLA Capstone Project. This project is serving as a fundraiser for CureSearch - an organization striving to end pediatric cancer. Zack has worked very hard over the course of his senior year to create this fun day for kids!

Unfortunately, due to (a lot of) rain last Sunday, Zack had to postpone his soccer camp fundraiser. He is now planning to host it this **Sunday May 3rd from 11-2 with registration starting at 10am**. We hope that you can participate in this worthwhile event. Thank you so much for your support!

### **Silver Creek Education Foundation**
